

Calling all Gardeners!

How about visiting us at Boort for a great day out?

Explore the beautiful gardens surrounding our 1890's homestead, and enjoy our scrumptious morning, afternoon tea or lunch in our fabulous new all-weather entertainment area!

You can savour the good old fashioned country hospitality, wander the gardens, then check out the manufacturing operations of Simply Tomatoes, Aussie Wool Quilts and Woolly Warmers, with a little retail therapy in our showroom afterwards!

Visiting our farm is not like anywhere else you've ever been! There's the resident menagerie, quirky amenities and the chance to take a peak at what farm life is actually like.

We're only an hour from Bendigo, Swan Hill and Echuca: the perfect destination on your garden expedition.

And we won Silver in the 2015 RACV Tourism Victoria Awards for Excellence in Food Tourism!

Spend the whole day in Boort and you'll be amazed by what our little country town has to offer. Like The Spanner Man's amazing sprawling sculpture garden with exotic birds & animals or Salute Oliva, award winning boutique olive grove. Hey, stay overnight and really get into it if you like!

Simply Tomatoes, Boort, we've simply got it all! 😊
